Have you noticed hate speech, Us and them power game in your neighbourhood? Courage to Act MOD-Training is targeted to anyone who is interested in finding tools to fight on behalf of inclusion and human rights in society. You may be a youth activist, grandmother, religious leader, worried citizen who wish to see a change in the current situation.

Aims of workshop:

- Participants acknowledge what racism is
- Human rights – Finnish law
- Benefits of diversity in the organization
- How to advance dialogue in the society between groups and individuals
- Non violent measures and tools

MOD IS ALWAYS A PROCESS

It includes Five themes:

1. Openness
2. Human rights
3. Self worth- knowing your identity
4. Diversity, norms and nondiscrimination
5. Inclusion, participation
